

## Remarks

### Restriction/Election

Pursuant to the election/restriction requirement set by the Examiner, Applicants have herein elected Claims 21 – 51 which are drawn to a product, namely a semiconductor circuit arrangement on a substrate. Applicant submits that Claims 21 - 51 are directed to a single patentably distinct invention and has accordingly elected the corresponding Group I of claims, as required by the Examiner.

The withdrawn Claims 52 – 72 of Group II are directed to a method for forming the semiconductor arrangement in the substrate.

### Conclusion

Therefore, in view of the above amendment and remarks, Applicant respectfully submits that this application is in condition for allowance and such action is earnestly requested. If for any reason, however, the Examiner feels that a telephone interview would be helpful in resolving any remaining issues the Examiner is respectfully requested to contact Applicant's undersigned attorney.

Respectfully submitted,
